“ tammy, do you remember when we met, it was dale and i first date, bowling party in mcmillan. that was feb. 1983, you would laugh kuz you could never believe how i could remember dates. all the good times at your house in mcmillan looking over manistique lake. all the jokes/laughs/beers at the cove and pine. the cookouts and bonfires. we lost touch these past couple years but i cannot say it enough you were and always have been very dear and special to both of us. our love goes out to gary, duran and dane but it wont be long until they are laughing and remembering all the fun and good times. we love you all.
