“ *Char and Shawn, I am so very sorry. I wish there was something I could say or do to comfort you. I still can't wrap my head around it. I have so many great memories with Tammy. We've been back in touch for over a year. We last talked around our birthdays, as they were so close. Tammy was a sweetheart with a big heart. We had talked a few times about getting together again. I'm heartbroken that we never did. Please know that you are in my thoughts and prayers. I love you Tammy. RIP my friend.*
