“ I was so sorry and deeply saddened to hear Teri had passed on. I knew her from our social work program at Wayne State and will never forget her perseverance and determination to beat the odds, in school and in life. Now you go to join another group friend and I bid you a very fond farewell.

“ Heaven has another angel...and what an angel she was to so many here on Earth. Memories of Terri will never die, nor will her Spirit. She will always be with us in Spirit and Love. What a wonderful friend...what a horrible loss, but our loss is Heaven's gain. Can't wait to see her on the other side...

“ I went to her wedding in the park in Port Huron. I still remember their reception and the songs played. When Alice Walsh died, I remember Terry saying how much Alice helped her. I always appreciated Terry's smile- warm and bright. She was a positive influence when I came to work at SHRC. She will be missed.

“ Ms. Terry saved my life. When I came into rehab I was broken and felt there was no hope. She opened up and told me her personal story....so similar to mine. Over the years I came back three more times. This last time she shared with me how her health was and encouraged me to get mine checked. I start treatments next month. I have been married to the most amazing man and have 9 month old twin boys!!! I wouldn't even be here if Terry hadn't encouraged me to check my health. I went by Clearview to see her a few weeks ago and thank her but they said she had retired. I am so broken hearted she is gone but I will not break down in spirit as Terry wouldn't want ANYONE to EVER quit quitting!!!!
