“ *Life without you is very hard, I miss you so much. I know you're in a better place, and not in pain anymore. Sometimes I just want to join you, but I know you would want me to go on and live my life. I don't think I can be with anyone else, and I'm ok with that. Being with Kiley has helped a lot. I just need to take care of my health and I think I'm getting better.*

“ Terri, I love and miss you so very much. Life is just not the same without you. I treasure every moment we spent together and regret the times we should have but didn't. It's not getting any easier as time goes by only harder. The only thing that keeps me going is believing you are still here with us all. I love you always my sister...xoxoxo

“ Terri was my best friend for 12 years. God made sure we met. Without meeting her, my son Blake Reese wouldn't of been born. Terri and Blake are cousins, she always said, "That's MY blood" about Blake. I could go on forever taking about our experiences together...trust me..there was alot! She called me everyday, I am still waiting for her to call. You will be madly missed my friend...I will keep our memories alive everyday.
