“ Terry,

You were the life of the party, you would give your shirt off your back to anyone in need,, Nascar will not be the same with you not there but I will picture you chasing the cars down the back straight away as the cars roared past that first lap. You were also close to my father at Cargill, you also looked out for him as well during is last few years of his life! Thank you and you will be missed!!

“ *I grew up on 21st St and Division right down the street from Terry and his family. We also both graduated from Port Huron Central in 1976. After decades I had the pleasure of running into him a couple of years ago, downtown during boat weekend.*

My condolences to the family.
