“Dad? I hope you can hear me? I miss you dad, I miss your hugs, jokes, laughs, talks, “barking spiders” and I just hope you know that you’re my hero, my best friend , my daddy. I hope you heard me when I was talking to you before you took your last breaths, it’s so hard without you here dad. I laid with you and held your hand as long as I could until they had me leave your bedside, I even sang to you and listened to some Christian gospel while you were taking your walk to the golden gates and the face of God. I love you so very much dad! Until we meet again. I’ll be forever your babygirl. #daddysgirlforlife.
