“ My condolences to the Whittaker family.... What a great man who played a huge role in creating such a great family. I will never forget the time spent at the Whittaker's household while growing up. Hanging out on the dock, breaking bones in the back yard, getting fish hooks caught in my fingers. As well as him loading us up in the car to go to the bike races time and time again. Later in life the times meeting up with Terry & Sandy at the lake for some great conversation and an occasional bottle of rum if I ran out ! I could go on and on about the memories Terry allowed us to create...Great person who was a wonderful influence and asset to all the lives he touched. That special place on river road will forever be changed....Rest in peace my brother and may God bless this family through this difficult time.
