“ Mom, I Love and Miss You so very much each and every day. I lit this soft periwinkle colored candle today to send peace and comfort and I receive those in return knowing that you are free from pain and have been reunited with your beloved Grandson. I made sure that I put forth the idea to put Katmandu on your memorial marker...Rock On Mom...I Love You!

“ I have so very many lovely memories of my Mom, one that stands out was when we children were young, when my siblings were asleep, my Mom used to bring me downstairs and we would order a Saffee's Pizza, or make some popcorn and watch wonderful movies together, like Disney classics, The Sound of Music, The Ten Commandments, Anne of Green Gables...there were so very many movies we shared and I treasure the memories like this that I have of my wonderful Mom. All of our friends wished she were their mother when we were growing up...she gave us so very much and was such a Good and Caring person...I Love You Very Much, Mom.
