“ *Matt and the Gonzales Family-*

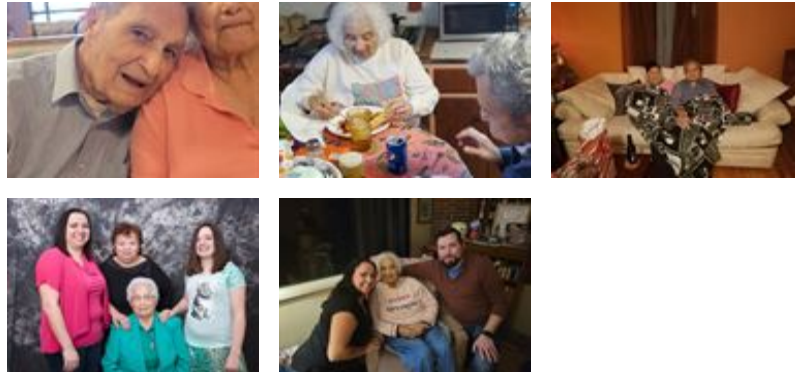

The loss of your beautiful mother, grandmother, sister, aunt, cousin is genuinely felt by all of us. She was a special lady with a great deal of spunk and so much love to share. I will miss hearing about her life (in her own words) and the adventure and deeply moving family stories she had to tell. (The funny ones too!) I know her legacy, her stories and her love will continue to live on through her family as well as mine throughout future generations and for that I am so grateful.

*Love you All,
Anne and the entire Regan Family*
