I don't know what I am going to do with out you my friend. I didn't realize until you left this earth that you were my best friend. My best neighbor ever!!! I keep looking out the door, just staring at your front porch. I will miss you helping me with my Face Painting. I took my pups for our walk last night with my broken heart and out of nowhere, in the dead of winter, there was a white Rose bush that had bloomed. There were two cut flowers laying there. This was a sign from you not to be sad. I know God didn't want you to suffer any longer. We had so many plans for your new knew this summer. I will miss you friend. "....AND THAT.... AIN'T THAT SOMETHING...". Rest in peace my friend! Love you Carla (.. it's not Carla it's Carlota...ok Carla..) 😭😭😭
