“ Dear Gail and family of Tom,

It has been MANY years since I saw my old class of "59" friend, but i remember him well. Truly, he was one of the nicest guys I ever knew. Warm and friendly, had a contagious smile. His passing brings great sadness to me. My heart felt sympathy to all Tom's family and friends. Rest in peace Tom.

“ Dear Gail,

We all knew Tom's time had come to say goodbye, but it is so difficult because it is so permanent. However, we will see him again when our time comes and look forward to his wonderful smile and love he always showed to others.

“ We knew this time was coming, but still tough to not be able to pick up the phone and call him. My Uncle taught me so much...

-How to come back from a tough place.

-How to keep things in perspective.

-Always have a smile on your face.

-Don't complain, no one wants to hear it.

I wont stop talking to you, just wish I could hear your comments back to me...

Love Ya...
