“ *I also was a classmate of Tim's and very fond memories of him. We were always seated close to each other as I was R and he S. He was ways such a gentlemen and very polite. Very sorry for your loss I understand your pain as I lost a son two years ago the pain no one can tell you they understand because they can't. My prayers go out to you and your family. God Bless . God has another Angel in his presence..*

“ Sincere condolences Patty and all who love Tom. I pray that you are comforted and are blessed with peace and strength to get you through all the hard times. I too was a classmate of Tom's and remember him just the way that Gail described.

“ Tom was a classmate of mine from Kindergarten in country school through high school. He always seemed quiet, but when he talked it was worth listening to. He had natural intelligence that is a gift. He has not attended class reunions, thus many of us lost touch with him, but he was not forgotten. The last time I saw him was several years ago at the post office in Caro, waiting in line for service. He had a large package to send, and he turned to me and said to go ahead of him. When I thanked him, he just told me to remember to "pay it forward". A nice memory to be left with.
