“ I liked Tom from the first time I met him when he and Bev moved to Jeddo. Tom always made time for my sons and had an open door to visit with them. He took the time to teach them so many things especially about his RC Planes. He will be very missed by our family. Many prayers and hugs until we see you again. Love, Krystena and Marissa Hartman

“ Tom is one of the nicest and most caring people you could ever meet. He always had time for anything that ever came up even if it was as simple as a conversation. Tom always had an answer for everything a virtual walking encyclopedia! Absolutely filled with knowledge and love for his family and friends. Tom will always be in our hearts, we will all be together again some day. I know god needed him and he is in heaven helping others as he always did here. Terry, Joe, Luke Hartman
