“ *My Uncle Tom! I was so very proud to call him my uncle, to be family.*

I truly believe he lived life the way it should be lived. Full of passion, with one person that you deeply love, raising beautiful children and making amazing memories. Sharing laughs and doing what makes you happy. Never missing a chance to dance. Literally and figuratively!

My favorite thing to do at weddings, was to watch my uncle Tom and aunt Mary dance. It was magical. Their relationship was magical to me. Full of love for their family and friends. They did everything together.

I respected him so much. And it was so easy to do so! I think everyone who had the joy of knowing him on earth, loved him dearly.

Until we meet again, happy trails. Happy tails Uncle Tom! I love you! (Ps i'm very sorry for cutting up that rug (aka hair piece, literally. So sorry) ❤️

“ *To my lovely Aunt and all my cousins, Uncle Tom is such a wonderful man. I remember catching my first fish with my Darth Vader toy that he setup for me, or bothering him while he was remodeling my dad's room, and also having my first legal drink with him and Uncle Terry on my 21st. His smile always lit up a room and he always made a person when he spoke to them you felt like you were the only one in the room. Love all of you ❤️ Love and Miss you Uncle Tom, until we meet again.
