“ Tom was a special guy. I remember whenever he walked into a room, the room came to life. He had the gift of making you smile whether you wanted to or not. As long as we keep special memories in our hearts and share them with others, we keep them alive forever. God bless, Barb Pallarito

“ I Remember the fun we had with Tom at the Odawa casino in Petoskey, Michigan!
Even though we only went for the buffet, when we were leaving Tom would show his Odawa casino card to everyone & shout "Odawa Tribe". He delivered the punch line just in the precise way that had everyone laughing so hard your sides hurt. Love Tom & thank-you so much for being a part of my life!
