“ Tom was a mentor\great friend to me. He taught me a lot. He wasn't afraid to show me work skills the hard way. In some ways he knew me better than I knew myself. He would throw me right into a job that I knew nothing about and let me struggle for a bit before talking me through it. He knew that's the way I learned best. I'm some ways he was also a father figure to me. I could go on and on about stories. I'm happy how close we got the last 5 years. I'm gonna miss stopping by daily to see you, our talks were the best. You were a great man with a huge heart, you helped so many people. You loved your kids, grand children, Sadie (your dog), your neighbors, friends and your girlfriend Debbie. I'm gonna miss you very much. I will never forget your laugh and your kindness. You are my best friend, we've been through a lot together. Save me a spot up there big guy.

“ *Thomas was a good man, he had a few demons throughout his life but he always took care of his kids. I remember when Philip was about six and was really sick with the flu, and Tom was in tears because he was helpless to do anything to make him feel better. This was Tom always there to help. He always made it every one of Brad's hockey games and practices, he was his ultimate fan. At least Tom didn't suffer much too long with ALS because he didn't deserve that. I'm gonna miss the good guy that was Thomas Tunesi.*

*Our condolences, Mike & Darlene Arthur*
