“ On behalf of my whole family I just want to say how sorry we all are for your loss. I have a lot of memories of our times together back in Fair Haven especially from my cub scout years. This must have come as a terrible shock and you all are in my prayers.

“ To my brother who I laughed with, fished and swam with, shared secrets with and loved! I wish you would've taken better care of yourself, you were such a good person. The world needed you around more than you know, but now you'll be able to spread that awesome personality with all of the others in Heaven. I love you brother, and will miss you so much. I know there are times you will touch me and I can't wait to feel you.
