“ I am still thinking of church contacts with Tim Koppin. It seems the last could have been yesterday. He was a friendly, warm person who often sat in church with Rev. Jacobs. They usually sat in the area where I had been used to going myself. As it is with so many church friends, one gets used to seeing certain members, assuming they will always be there. That's how it was with Tim and now he won't be there in person. I'm sure his spirit will continue to be felt for a long time. What a great contribution to our church he made !

“ I can not believe that Tim is no longer with us. Tim was part of our bible study this winter and always had a smile and a kind word to say whenever I saw him with anyone. I am so glad I got to know this wonderful man. My thoughts and prayers and with his family during this difficult time.

“ I enjoyed getting to know Tim at First United Methodist Church-Port Huron where he regularly volunteered as an usher. He had a real talent for making people feel welcome and special. His warm sense of humor lit up the lives of everyone who had the chance to chat with him.
