“ Hi Woody, It was an honor and a pleasure to have known and worked with you. Thank you for always helping me lift heavy objects. Thank you for installing batteries, wiper blades, and headlight bulbs so I didn't have to. Thank you for always making me laugh. I enjoyed working with you. I'll miss listening to your Pandora. You knew all of the outlaw country, classic country and rock that I grew up listening to. I remember trying to stump you with "Hotdog" but without hesitation you said "that's Led Zeppelin". I miss you Woody. We all miss you. We all enjoyed working with you and all of the customers liked you. Our work family just isn't the same without you. Rest in peace amigo..... Kristy

“ I love you son.. My life will never be the same.. I can believe I'll never get to talk to you.. see you laugh when you fart..I will actually miss you snoring.. Geeez you sounded like a bear.. watch you just fall asleep while playing your xbox.. Kenzie climbing on you while you slept and you not even move.. I'm so happy you messaged me that day saying come to your job cuz you wanted to talk to me after 4 yrs of not talking to me.. I'm happy I got to spend 1 1/2 yrs almost living with you and seeing you everyday.. Timmy you were the best father to your babies.. The best husband to Emily. The best son in law to Tom and Michelle.. The best brother in law to TJ.. You were the best son I could of asked for.. You never smoked or did drugs.. You didn't handle your alcohol very well cuz Steve (your brother) just told me about taking you to the titty bars for your 21st birthday and you puked in the bar.. WHIMP..LOL I will never forget you buddy.. I PROMISE.. Saying good bye to you is the hardest thing I've ever done..
I love you son. You goofy kid..
