“ So sorry for your guys lost. One of the best memory I have of Tina is when I was pregnant with Vasilios and she invited me to her house to learn to make home made pumpkin pie. It took all day to get it done but was some of the best pie ever filled with a house full of love and family. RIP Tina gone but never forgotten. Love Nicole

“ To the family of Mrs Johnson. (Kayla Coward)
this is something I used when I lost my father
I hope it gives your family comfort... Oh Lord I
have lived this day to bury my love one my
gratitude is as full as my grief and my peace
is as deep is my pain all because of you I need you as never before
Shepherd my soul through these dry and heavy days you send us to
this earth for a season and then you receive us again on to yourself
I understand this cycle but I wasn't quite as ready to let go of this
one as I thought I'd be all my life I've known the some day this
would happen but the finality and reality of it is piercing one thing I
know that death cannot kill love and human hands can not destroy it
on this day my loved ones Resurrection Day I give you praise for a
life lived. Kayla it as time passes keep holding on to God's hands
and he will give you peace. Love baby
