“ After I had written the message I thought of you Tracy. You were such a pretty little girl and so sweet. Then one day I saw you in the K-Mart store and I knew right away it was you all grown up and pretty with a family of your own. It was so great to see you again. I want to tell you how sorry I am for you to lose your dad and now your brother. I feel so for you. I know you have so many great memories so just hang onto them and Todd's closeness will be there.

May God give you comfort

Much love,

Aunt Sally

“ My heart goes out to all of you. I was so saddened to hear of Todd's passing. I am Todd and Tracey's aunt on his dad's side. We lost touch and feel bad about that. Such a cutie Todd was and I do remember what my sister Kathy said about his whistling. So small and able to do that. Those memories are so good to hang on to. May all of you get the comfort and strength you need.

God's blessings

He always did whistle. Even cooking. Or just to jam out. 😊

“ *I was saddened to hear of your passing, my dear nephew. Although we have lost contact for so many years, I have such distinct memories of you growing up. You were the cutest and smartest baby....walking around at 9 month's and whistling like an adult with each step you took. Grandma and I would babysit for you and Tracy and it was always such a joy ! God Bless Your Family and I pray that the fond memories they have will give them comfort.....With Love, Aunt Kathy (Kaufman) Liebaert*

“ I have known Todd Kaufman my whole life,he is my Dad! We have laughed and cried together,we had a lot of good times. The weird part is that we're so much alike,sometimes we wouldn't even see eye to eye. No matter what we would always make up when we'd disagree.When ever I needed anything he was there for me.Once in a while he would shock me because he'd need me. He taught me so much in my life.Most of all he taught me when I did wrong to "Man Up" and to stand tall and do what I have to do to make it right,and to learn from my mistakes and to move on. Now I am almost 25 and now I have to spend my time with u from a distance.I don't know how I'm going handle being on this earth without u but I'll try my best Dad because that's what u would expect from me.I am so imbearest that I couldn't be there for my Aunt Tracy and Aunt Melissa and my sister to comfort u all in our time of sorrow and loss.U will be greatly missed Dad! I love u now and always Ur Son Dustin Supal.
