“ Todd was such a great neighbor in the Villa Estates. I found out just yesterday, that he had passed. He was going to help me put our vinyl siding on our carport walls this spring. He was such an encouraging and upbeat positive person. Whenever I needed help or advice, he would always drop what he was doing and come right over. He was so proud of his own carport and shed, as we watched him build it from scratch, most of it, by himself. I am so sorry for the Morrison family's loss. May God comfort you in these times of sorrow, as I know the we are all going to miss him.
Your neighbors, Kent & Christine Bacon (#124)..

“ *It's been years but I still have good memories when we all were growing up. He use to pester Judy and I. He was a happy go lucky kid who used to love sliding down the stairs on pillows. My thoughts and prayers are with you all. Sandy Myles Thompson*
