Letting Go

The angels gathered near your side so very close to you, for they knew the pain and suffering that you were going through. I thought about so many things as I held tightly to your hand, oh, how I wished that you were strong and happy once again, but your eyes were looking homeward to that place beyond the sky, where Jesus held his outstretched arms, it was time to say goodbye. I struggled with my selfish thoughts for I wanted you to stay, so we could walk and talk again like we did just yesterday, but Jesus knew the

answer and I knew you loved him so I gave to you life's greatest gift, the gift of letting go!

Until we meet again,

I love you Babe

“ Life is something we all take for granted and then all of a sudden angels such as you Tracy, taken way too soon, remind us to slow down and enjoy every minute we have with family and friends. You were a very sweet person and I am glad to have the pleasure of calling you my friend. You will be truly missed. Until we meet again, my friend.
