“ Tyler was such an amazing soul. He had the most contagious personality and smile. No matter who you are you couldnt help but love him.

He loved to sit outside in the summer for hours, play with his toys, spend time with his friends, flirt with pretty girls, cuddle, and most importantly be mischievous 😊.

There are many things I will always remember about Ty but the most important is how he showed all of those who knew him how to love. I am truly blessed to have been able to be apart of his life and to have known him. He will be missed and forever loved by all of us at home. ❤️until we meet again❤️.
