

Valentina K. Sensano

February 14, 1962 - July 20, 2023

Heaven has received the BEAUTIFUL soul of
Valentina Kuulani Sensano
born on Valentine's Day 1962
in Fresno, California

Valentina, my mother, my best friend is the strongest person I will ever know. A fierce, loving mama and grandmama bear to four daughters and nine grandchildren.

She left this world after a courageous battle with ALS, surrounded by love ones that will continue her legacy of remaining strong together in our Christian faith. Her battle showed her courage in facing life challenges with never-ending faith of God's trust and in His plan and timing.

Valentina's silly sense of humor and love of laughter will also continue to live on through her children and grandchildren.

Born and raised in southern California, she loved music and dancing- even won disco dance contests.

Some of her favorite moments were spent in the kitchen, creating or helping create delicious meals with her family, while listening to Motown music.

Christmas and the holiday season leading up to, was her favorite time of year. Annual local craft shows, Frankenmuth trips, Christmas shopping, making dozens of different Christmas cookies with family, and decorating her home to look like Bronner's every year.

She also loved planting flowers and her vegetable garden, feeding and watching hummingbirds, and relaxing yardwork in the Spring and Summer. Another favorite of hers, was watching the leaves change colors in the Fall, along with family bonfires while sipping on piña coladas.

Although our matriarch will be deeply missed, we take comfort in knowing that she is reunited with her sister, brother, mother, and grandmother, and that we will all be together again- one sweet day.

Until we meet again Momma.

She is survived by daughters: Stephanie Rowbotham (Amy Ginzel), Christina Schlager (Casey), Nicole Nowicki (Eric), and Catherine Battaglia (Alex Baugh), grandchildren: Isabella, Jillian, Sadie, Ariana, Eva, Nathan, Joshua, Quinn, and Nicholas, nieces: Melissa Ehlers, Jasmine Sensano Paiz, and great niece- Eva Paiz, sister, Melissa Wentworth, former husband, Salvatore Battaglia, best friends: Liza Negrete, Esther Doderio, and Laurie Samuelson and many dear cousins in California, Hawaii, and Colorado.

Services are private.

Arrangements in care of Jowett Funeral Home - Port Huron.

“ To My sweetest Valentina, I remember taking her to see my parents at the cemetery. I thanked the Lord right there for Valentina. My dad died when I was 16 yrs old and then my mother died 3 yrs later when I was 19. Everytime we drove by them she would say out loud hello to them and say i love your very handsome son. I told Valentina mostly my mother would have introduced her to people as her daughter and me as her son in law and laugh at me. Valentina fell in love with her. My mother would have said that to remind me how lucky I was to have Valentina. They both had been blessed with the smile only the Lord could have. Valentina and I had similar marriages of wicked spouses that of torture and betrayal that only comes from the evil one. I will always miss you for you knew I told you that you were the most beautiful woman I'd ever seen. I know your love for the Lord and the surprise He had waiting to give back to you because I only know what that was!!! My 2nd greatest love after the Lord!!!

To Valentines family that keep taking my post down ! She was the love of my heart and those ones that do this should read 2nd tess in the new testament where it says, for God is right and He will cause trouble to those who trouble you. And for all your lies of me to her your life will be filled with trouble worse than ever before for vengeance is Mine say'th the Lord thy God

I wished like we both wanted to be married that your ashes with the last name sturdevan at the cemetery close to my mother with the same name in a box for our ashes so that I would have a place to thank God for you. The problem is your daughters will put your ashes with the last person you would want. The Lord will take care of that for you!!!

I miss you so much Valentina, I can't stand it. Feels like my heart is breaking in two. My head says no but my soul demands it, everything I do reminds me of you. I miss you so much, in my place full of shadows, while the rain is pouring down my window too, when will the pain recede to the darkness for wence it has come and I'm feeing so bad !!!! Now the Holy Spirit, is pushing me onward though I'm to see where I failed to marry you like we wanted to do!!! But I miss you so much, while I'm living these days out
