“ Ugh I'm just so broken right now.Lots for words . The moment I found out I got on the phone and called your boys.Crying my eyes out as the answering machine picked I was leaving a message as Matt picked up the phone. I know your in a better place no more suffering of pain and other health issues but all's I can keep asking is why did god take my friend so early. The only reason I can come with is he had a better plan for you.fly high my friend god has another angel . Your with your mom and Dad now. I will see you again someday for us to sit for hours and talk. You will never be forgotten and hopefully you will visit my family in your new journey.
