“ *I grew up with the Gamble family and considered them as my family. It seemed I was always at their house playing with Jim, Ken, Tom and Larry and Vicki or eating popcorn and watching a movie. There are so many great memories I have. I have always thought of Vera as my second Mom and of course James (Hank) as my second Dad. Vera always kept me in line and most of all helped me on many occasions. One memory I have is when we were playing in the woods I fell and sliced my left hand wide open. My parents were working so Vera drove me to the hospital to get fixed up. I loved Vera and Hank very much. I will always love them and I hope when it's my time I will see them in heaven. Prayers are being sent to my second family along with my love for you.*
