“ *Your wings were ready but our hearts were not. We had a special bond as my sister. Verna had a heart of gold. Always put everyone first and herself last. She was always lending her ear to listen and gave awesome advice. Her hugs were the most precious to me and her smile always touched the hearts of everyone she met. Her family was the most important to her. She was very spiritual in our Lord and always found the good in everyone she met. I miss you very much. I love you. Thank you for always being there for me.*

“ *I'm happy to say that I have some great memories with the Black family. My brother and I spent a lot of time during the summer at their house when we were kids. Aunt Verna was a soft spoken , loving, kind woman , and a beautiful soul. A truly beautiful woman.*
