*I have so many great memories from my childhood and so many of them include you and your sisters. Kickball on the corners, hide and seek, Red rover, spending the night at your house. Just hanging out. I was so saddened to hear of your passing. I'm sending my deepest condolences to your family at this very sad time.*

“ Aunt Veronica, I am at a loss for words knowing you have let us too soon. Your memory will live on forever in all of our hearts. I remember when us kids were small and we were at your house for the night. Kevin and I were busy drawing and coloring all night. You kept encouraging us to keep at it.. I'm not sure you really thought we were doing a good job or you just wanted us to be quiet- haha. I think we drank too many juice jugs that night so we had a lot of sugar to burn. You always made me feel welcome and always lent a listening ear. May you Rest In Peace. You will forever be missed. Love you!
