“ Vicky went through a lot and she still always had a smile on her face. I really enjoyed all the talks I had with her. She always asked how your day was no matter how she felt. Her heart was genuine. I think about you often and I really miss you Vic!

“ I would go see Vicky and she would say I made her day but I have to say she made my day. We would laugh a lot and she had such a good memory that was unbelievable. I was surprised at that. Vicky you know I loved you very much and know you are at peace now. You will be missed.

“ *Meeting Vicky was a pivotal moment for me.
To meet such a loving and sweet woman, who had suffered so
much loss in her life, and who was still able to find joy and be happy
was a huge life lesson.
She has been so loved, and I will hold her in my heart.
