“ It was my honor to know Victor. Even though it was for only a short time, he welcomed me, was friendly and told the best stories of his past. I could tell he was an honest, hardworking, loving family man who made great meals, loved animals, planted gorgeous flowers and still had dreams for the future. I wish I could have known him longer. He was just a great, humble guy who will be so missed by his family and friends.

“ To my loving grandpa,

No words or feelings will ever express how I and our family feels without your presence on this Earth. The memories, legacy, and pride you left for this family will live on forever. Miss you so so so much grandpa, the holidays will never be the same. Protect, watch, and guide this family as we grieve your loss. You are no longer suffering in pain. Get back to your ranch in the hills with all your animals and plants. Pick as many strawberries as you can. This family will stay strong as you wouldn't want us to be weak. We will carry-on your traditions, customs, and many more. Te quiero mucho papa, espero que estés sonriendo en el cielo.
