“ *Buck,*

*When we reflect back on the time you were with Virg we think of the kindness and warmth she gave to Mom and Dad while Mom was alive. Always asking Carol if there was anything she could do during our Thanksgivings together.*

*Carol and I are here for you whenever or whatever you need.*

*Much love my brother,*

“ We have lost a beautiful woman and great friend. This was so shocking and sad. Our thoughts are with Mark and her family at this difficult time. We loved the parties they through, playing golf together, and sitting around the fire enjoying beautiful times together. She will be greatly missed by all.

“ Virginia and Mark are two of the kindest and friendly people we know. Her loss to us was a shock and very difficult to understand. We always enjoyed going over to their home for their fantastic parties and playing golf with them. Our thoughts are with Mark and her family. A picture is attached from one of those memorable times we spent together.
