“ *Jenny was a special neighbor. Our conversations could last for minutes or hours. I am not a baker, but if I needed a special pan, spice or advice on my occasional attempts, she always had it. Years ago our goal at decorating for Christmas was to have more lights than she had. We always lost.
I will miss her.

Our prayers and sympathy go out to Jenny's family and Jack. Our memory of Jenny was the great rummage sales she had and I admired all the hard work she did to get ready for the sales. Rest In Peace! Roy and Bev Lange

“ Our dear sweet Jenny. She watched over Nathan while I worked from age 6 months until he no longer needed watching. She made his favorite.. Chicky Rice Soup that he still says is the absolute best. She was a wonderful Grandma to Nathan. She always had a good and supportive word for me too. I will never forget her kindness or all the love she showed me over the past 30 some odd years. I know she is in a much better place but we will all miss her very much. I pray comfort and peace to the rest of the family that I know is going to miss her. God Bless you all..
