“ I have so many great memories of Virginia and I together, like all of our fun trips to the roller rink and the fun crazy shopping excursions her, Shelly and I went on, those were fun times and we will always think of them fondly. She will be dearly missed.

“ I will miss you so much. You were like a little sister to me. No matter how much time would go by, we would laugh and joke like teenagers. We will meet again someday and we will be teenagers again. Love you! Miss you. Shelly
