“ Whenever we talked about Wanda we always smiled. She was just that kind of person. Rich and I would go over to swim at their house with Steve and enjoy the afternoon. There was always family there and thats how they treated you. We lost touch for a few years, but when we (temporarily) became " Mall Walkers", there they were. She had the energy that I wished I had, and of course there was that smile that just made you feel warm all over. Cherish your memories because she will never be forgotten and I for one will always have a warm heart.
