“ *Grandpa,*

The past few days I've been searching for the right words... Sometimes there simply aren't any that will suffice. I wish my head and my heart could get on the same page. I'm rejoicing that you are no longer suffering, but miss you terribly. So many great memories to treasure and share. I hope Heaven is more beautiful than you ever imagined.

*Love You Always,
Stephanie*

“ *My Dearest Dad,*

Its hard to believe that you are no longer here on earth with us. My heart hurts every time I think I will not hear your voice or see your beautiful blue eyes again. I know you are in heaven now and your pain and suffering are over. You are with your Lord now. Rest in peace my DAD and please know I will love you forever.

*Forever in my heart and soul
your daughter,
Gina*

*Gina, I am so sorry. I tried calling your dad this week but his phone was disconnected. That's when I decided to search him and saw his obit. You and your family are in my prayers.
