“ Wendy's birthday was a few days ago --- she's on my heart and mind more than ever. I wish there was a place I could go -- like St Bernard's Cemetery where my parents are -- of course, it's more to console myself than anything else. I always thought we would catch up in the "near future". Then, I found out our 50th class reunion was coming up and who best to go with. I still cannot believe Wendy was gone for 2 months before I discovered her obituary online. She's number 1 on my list of "Turning Point" people.
