“ My dear friend Bill, when we met I adored the way you treated my friend with kindness and love. A rock to the family, solid. The kids were all drawn to you, including mine. You had a caring way and took my words to heart when we spoke. You always said the truth, had good advice (take my blood pressure pills) and gave it sincerely. We had many talks, tears, laughs and hugs. Even if they weren't often. I could call you my friend. I'm sad your babies have to grow without you here. I'm sad my friend lost you too soon. I'm sad I didn't get to say goodbye or have one more bonfire and s'mores with you. But I know you're shining down and In a good place. Until I see your smile again...
