September 7, 1947 - April 10, 2026

"William H. Grose, better known as Bill, age 78 of Harrison Twp., passed away on April 10, 2026. He was born on September 7, 1947 to late William E. and Margaret Grose.

He was a devoted brother to his sister, Barbara Radunko, who preceded him in death, and is survived by his son, and three nieces.

He served honorably in the United States Navy. He enjoyed flying small craft airplanes throughout his life and into his retirement.

A laying-in service for Bill Grose will be held at the Great Lakes National Cemetery at 4200 Belford Rd, Holly, MI 48442 on May 11th, 2026, at 2:30p. Memorial contributions can be made to K9s for Warriors to honor the positive impact a rescue dog had on Bill's life in his later years. Providing that for other veterans would be a great honor to his memory."
