“ I have a lot of fond memories of Junebug while growing up in New Haven! He always knew who I was because I looked like my mama. Rest easy my friend, my mother-in-law was there to greet as she passed on the day before.

“ *My heart goes out to the Harris family. June bug and I share a lot of memories from teenagers to adulthood. He remained that friendship humor and I will miss him dearly. Sorry I can't be there for his family but I am there in spirit. ❤️❤️ he would always remind me the he and my late husband Bucky were born on the same day, same time, at the same hospital. Now they are together again.*
