“ I remember stories told by my deceased father, Robert Welser, of his cousin Billy (as my Dad called him). The Earnest Welser (Gertrude's brother) family moved from Michigan to upstate NY back in the early 1940's. We often heard the stories of their life back in Michigan and those that revolved around his cousins. Bill and his family visited NY while I was a young girl and I remember the visit and the family. A few years ago, I reconnected with Mary on FB and feel blessed I was able to reconnect with that side of my family. All of us from the family of Robert Welser (your Dad's first cousin), wish to express our heartfelt sympathy in the passing of both your parents this week. May you give each other strength and support in this sorrowful time. May God bless you all and may you find comfort in the memories that will live on in each of you. God Bless, Lucinda Welser West
