“ *I remember on my 16th birthday you gave me my first set of tools... I can't count how many things I fixed for many years after that. What I could not fix you helped me*

“ *I am so sad to hear that a great and caring man has passed. I haven't seen my Uncle Bill in years. I think the last time was either at his Dr office I was working at or my father Fred (Butch) Tanton, Bills brothers funeral. You will be missed by many. I love you Uncle Bill..RIP Shannon Marie Tanton*
