“ Bill certainly was one of the great ones in a very tough industry. He was smart, genuine and very passionate about all of his life activities. On many occasions I saw him show great compassion, warmth and humor when it was needed most. He will be missed but not forgotten.

“ Everybody that ever met Bill knew within 5 minutes this is a great guy!! We have lost a good friend and mentor but heaven as gained a new Angel. Bill had made the world a better place for all that knew him and me a better person for having known him. Thank you Lord for our time with Bill. God Bless
