“ Bill and I were best of friends back in our mid-60's high school days. I remember we worked out together many winter nights at the old YMCA in Port Huron and would often entertain some of the older fellows there with our energetic boxing matches against each other in the empty hardball courts at night. He was quite the athlete to admire either as a gymnast, high diver, weight lifter, or pole vaulter at the track meets. Once I enlisted in the Marines in 1969 we sort of lost touch with each other until many years later when I ran into him once again while we were both fishing on the Port Huron sea wall. For the next few years we saw each other quite frequently either there or at the mouth of Black River when we were both fishing in the early mornings. I still vividly remember him netting my first keeper musky for me off the sea wall near the Blue Water Bridge in August 2015. The last time I talked to him was at my 50 year class reunion in 2017. He was there as an escort with one of my former female classmates. I found it strange that I just never seemed to run into him down at the river anymore after that. Anyway he was a good guy to know as was the rest of his siblings and parents. It saddens me to hear of his passing. Rest in peace my friend. Dennis Potvin

I am Bill Nedela and lived close enough to the Seely family to play some baseball with Bill & Tom at the lot on 10th Street. My good friend George Munn introduced me to them. Great athletes, fun to be around and what I remember most of all was their family meant everything to them. RIP Bill and my sincere condolences to Tom and the entire Seely Family.
