“ I will always remember the many trips we took and your "crazy driving". We always had a lot of fun. You were a hard worker and gave back to the community while on the Clay Township DDA. You helped plan the construction of the Clay Twp. Park and other community projects. You served your country in the Army and Coast Guard Auxiliary. You raised four wonderful children. You were a wonderful step dad to all of us too. You fought a long, tough battle but now you can rest peacefully. You lived your life on your terms and never gave up. You will be missed.
