“ Dear Judy and family,

Condolences to you and your family.

I am Carolyn Basnaw's daughter (Diane aka Turtle) in Georgia and mom would be heart broken for you.

They are both in Heaven and telling each other how much they love you.

Mom always told me how close you and your husband were and did everything together like my husband and myself.

Mom always loved you Judy.

Once again, I'm sad to hear this news.

May God Bless

“ I remember the first time I met Uncle Bill. He was always smiling and had such a happy-go-lucky attitude. He became my uncle by my father's second marriage to Jenny. The day he introduced us to his new bride, Aunt Judy, was wonderful for us all. Judy was quiet and shy and blushed easily. She was so pretty we all wondered how did such an outdoorsy guy like Uncle Bill get to marry such a beautiful lady like Judy. :) Uncle Bill will be missed. His knowledge of the "hunt" and love of the outdoors will always be his legacy. My deepest sympathy to his family and friends.

“ *We are so sorry to hear of Mr. Wilczynski's passing. I will always remember him plowing the neighborhood with the big tractor. He was very gracious like that. I would have been at the visitation and funeral, but Dave had a stroke, I've used up most of my sick time and he has his first speech therapy appointment that day. If you need anything we are right across the street! Hugs to all of you!*

“ A great neighbor a blessed friend. If he only had the time to tell all his life's adventures it would take an eternity. The irony is he can again hold the hand of his dear Chelsea and continue sharing his life's experience. We all only have a short time to wait before we can listen again. He lived, laughed and loved. What a wonderful epitaph. All our love and prayers to the family who will continue affirming his legacy. Your friends, JoAnne and Sal
