“ My deepest condolences go out to you Renee. I haven't seen your dad in years as you know but I thought of him all the time and wondered how he was doing. I know he will love being back with Sher again the only love of his life besides you and Billy. I pray you and your family are all well and you know if there's anything you ever need from me, I'm always here for you. Love you Nee. Alison 'Sunny' Sharlow
