“ When I could never fit in with the rest of the family, or I was feeling down he would cheer me up. Instead of treating me like a stupid little kid like the rest, he talked to me like an adult. I wish I could hang out with you in the garage drinking beer and watching the Wings play one more time. I will always miss you Uncle Bill, and I hope I will one day be at least half the man you where. RIP one of the best this world has seen.

Going to miss you Lt. Let God take care of you now. I just want to thank you for taking care of me and the twins way back when. You made sure that I was able to stay on leave for as long as I did with benefits too! I cannot tell you how much that means to me still. May God comfort Bill's family and friends during this most difficult time. Mary (Moran) Dorcy "Dorcy House"
