“ I had the opportunity this summer to talk with Bill. He and I graduated from Port Huron High School together but we lost contact in the years that followed. My conversation with Bill this summer was very pleasant and it reminded me that he was such a good fella back in high school. I regret not staying in touch with him between then and this summer. Bill and I sure shared one common interest, the University of Michigan Wolverines. I extend my condolences to Bill's family and other loved ones. May good memories, and those loved ones, help sustain you in Bill's absence.
Sincerely,
Steve Lewis
