“ *Willie was a force of nature! She didn't hold back on what she thought or how she felt. I will always, always miss your smile and hugs and hearing her call me Linda Sue. Much love and respect to her and her family!* ❤️❤️❤️

*I never met Willie, however learned much about her from Cheryle. I conclude she was a pistol, taught squirrels how to squirrel away the goods and was attempting very hard to cure her shyness! RIP Willie* ❤️
